### **Girard Gibbs LLP Announces Class Action Lawsuit Filed Against UBS AG (NYSE:UBS)**

Posted on : 2008-03-21 | Author : CA-GIRARD-GIBBS-LLP

News Category : PressRelease

SAN FRANCISCO - (Business Wire) The law firm of Girard Gibbs LLP (<http://www.girardgibbs.com>) announces that it has filed a class action lawsuit on behalf of persons who purchased Auction Rate Securities from UBS AG (NYSE:UBS), UBS Securities LLC and UBS Financial Services Inc. between March 21, 2003 and February 13, 2008, inclusive (the "Class Period"), and who continued to hold such securities as of February 13, 2008.

The class action, captioned *Chandler v. UBS AG, et al.*, 08-cv-2967 (DLC), is pending in the United States District Court for the Southern District of New York. The class action is brought against UBS AG and its subsidiaries UBS Securities LLC and UBS Financial Services Inc.

The Complaint alleges that UBS violated Sections 10(b) and 20 (a) of the Securities Exchange Act of 1934 by deceiving investors about the investment characteristics of auction rate securities and the auction market in which these securities traded. Auction rate securities are either municipal or corporate debt securities or preferred stocks which pay interest at rates set at periodic "auctions." Auction rate securities generally have long-term maturities or no maturity dates.

The Complaint alleges that, pursuant to uniform sales materials and top-down management directives, UBS offered and sold auction rate securities to the public as highly liquid cash-management vehicles and as suitable alternatives to money market mutual funds. According to the Complaint, holders of auction rate securities sold by UBS and other broker-dealers have been unable to liquidate their positions in these securities following the decision on February 13, 2008 of all major broker-dealers including UBS to "withdraw their support" for the periodic auctions at which the interest rates paid on auction rate securities are set.

The Complaint alleges that UBS failed to disclose the following material facts about the auction rate securities it sold to the class: (1) the auction rate securities were not cash alternatives, like money market funds, but were instead, complex, long-term financial instruments with 30 year maturity dates, or longer; (2) the auction rate securities were only liquid at the time of sale because UBS and other broker-dealers were artificially supporting and manipulating the auction rate market to maintain the appearance of liquidity and stability; (3) UBS and other broker-dealers routinely intervened in auctions for their own benefit, to set rates and prevent all-hold auctions and failed auctions; and (4) UBS continued to market auction rate securities as liquid investments after it had determined that it and other broker dealers were likely to withdraw their support for the periodic auctions and that a "freeze" of the market for auction rate securities would result.

If you purchased or otherwise acquired Auction Rate Securities from UBS between March 21, 2003 and February 13, 2008, and continued to hold such securities as of February 13, 2008, you may, no later than May 20, 2008, request that the Court appoint you as lead plaintiff. A lead plaintiff is a representative party acting on behalf of other class members in directing the litigation. To be appointed lead plaintiff, the Court must decide that your claim is typical of the claims of other class members, and that you will adequately represent the class. Your ability to share in any recovery is not affected by the decision whether or not to serve as a lead plaintiff. You may retain Girard Gibbs LLP, or other attorneys, to serve as your counsel in this action.

If you wish to discuss your rights as an investor in auction rate securities through UBS or any other brokerage, please contact Girard Gibbs LLP toll-free at (866) 981-4800. A copy of the complaint is available from the Court, or can be viewed on Girard Gibbs LLP's website at:
